

NRRA Membership Benefit for Service Provider Members

Now, all NRRA Service Provider members can add their company logo and a description of your company to our online Service Provider Member search. We'll even make the logo link directly to your company's website!!

As you are probably aware, last year when we renovated our website, we added a search of our service provider members in the public section of the site. We have also maintained the full membership directory in the members-only area.

The best part is that this is a **new benefit of NRRA membership, at no additional charge to you.**

Here are the specifics:

1. Logo Details:

- A. Only jpg files will be used.
- B. Logos must be 125x20 pixels or 50x50 pixels in dimension.
- C. Logos can be submitted via email or on portable electronic storage such as a floppy disk or CD ROM. *Please note that any portable storage devices will not be returned.*
- D. Logo's will be posted as they are submitted. If you would like us to alter the jpg file of your logo we can do so at a charge of \$95 per hour. This will be billed in 1/2 hour increments with a minimum charge of 1/2 hour (\$47.50). In this case, we will email a copy of the altered version of the logo back to you, as well as using it for the NRRA website.

2. Description Details:

- A. Up to 50 words in length. Longer submissions will be posted unedited and therefore will be cut short, rather than altered to meet the 50 word limit.
- B. NRRA reserves the right to refuse to post anything that is deemed inappropriate.

3. Link Details:

- A. Simply submit the URL that you would like the logo to link to and we will create the link. *Please note that, beyond routine site maintenance, we will not monitor the functionality of the link once we verify that it is correct and working properly. Therefore, if your company makes changes to its website that affects this link, please notify us so we can make the appropriate adjustments.*
